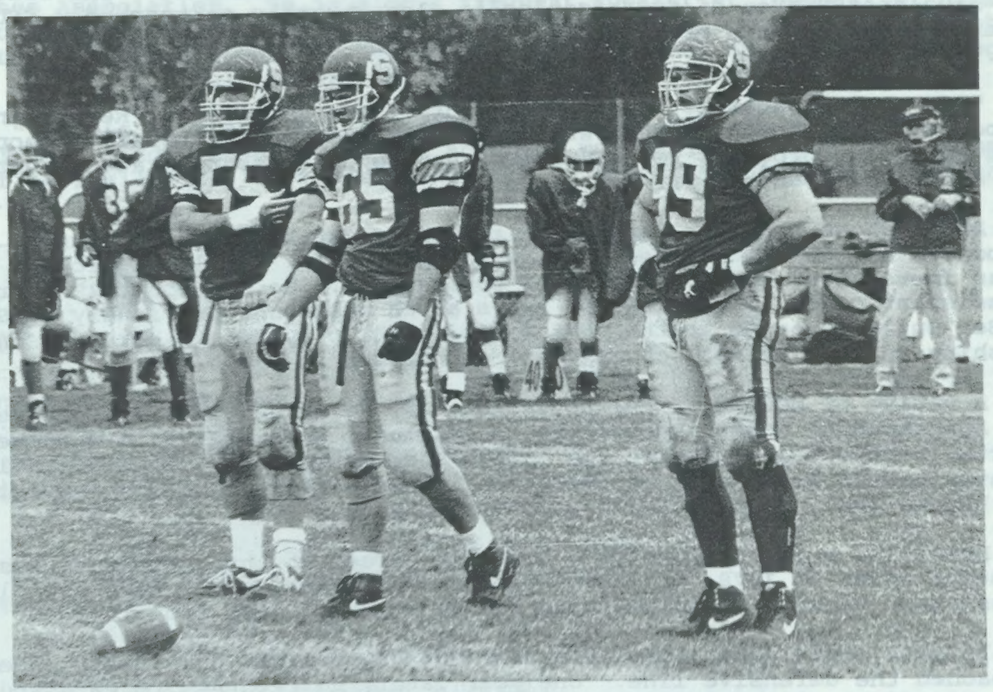
1993 SEA GULLS



JOSEPH ROTELLINI -- Head Coach

Discipline. Organization. Pride.

Those are just three of the traits that fourth-year **Head Coach Joe Rotellini** brings to the SSU football program. Although the Sea Gulls have notched just four wins in his first three years, Rotellini's squads demonstrate the unmistakable characteristics of a winner. Practice hard. Play all out. Excel in the classroom. Show class at all times.

Rebuilding a program involves many components. Sea Gull players have clearly adopted the discipline that is Rotellini's trademark. The coach's well-developed system of organization is also strongly entrenched. SSU players are once again proud to wear the Maroon & Gold. The wins will come.

"Very rarely does it happen overnight," says Rotellini. "Rebuilding is a process that, if done right, will take a while. We want quality people involved in our program; young men who represent Salisbury State University with class, both on and off the field."

Although he became a head coach for the first time when he was introduced as the new SSU head man on March 4, 1990, Rotellini brought with him an impressive resume of coaching credentials. He had spent 12 years as an assistant coach, including two years as an assistant previously at SSU. The Sea Gulls advanced to the NCAA Division III playoffs in both seasons, finishing as the national championship runnersup in 1986.

A native of McDonald, PA, Rotellini, 38, holds an associate degree from Anne Arundel Community College in Maryland, and received his Bachelor of Arts in physical education and health from Bethany (WV) College in 1977. He later earned his Master of Education in administration and supervision from Loyola (MD) College in 1982.

Rotellini began his football coaching career at Anne Arundel CC as an assistant coach in 1978. He then moved to Glen Burnie (MD) High School as an assistant varsity coach and head junior varsity coach from 1979-84.

In 1984, Rotellini joined the staff at Alfred (NY) University, where he coached the defensive line. One year later, he returned to Maryland and began his first stint with the Sea Gulls. In his initial season at Salisbury, Rotellini coordinated a defense that was ranked 15th in the nation in rushing defense. The following year, with primary duties as offensive line coach, he helped the Gulls achieve national rankings of second in total offense, third in rushing offense and eighth in scoring offense.

While his coaching duties are now limited to head coach for football only, Rotellini was also Salisbury State's head lacrosse coach in 1986 and 1987. He compiled an impressive 22-10 record in his two seasons, and led the Gulls to a sixth place national ranking and a berth in the NCAA Championship Tournament in 1986.

Rotellini joined the staff at Shippensburg University in 1987, assuming the position of assistant head football coach. He coordinated all administrative duties for the Red Raider football program in addition to his on-field coaching duties with the offensive line. SU was the Pennsylvania Conference's Western Division champion in 1988.

Rotellini is a member of the American Football Coaches Association (AFCA), and serves on the organization's all-America selection committee. That committee, which serves NCAA Division III and NAIA Division II, makes the annual selections recognized as the Kodak all-America squad.

In addition, Rotellini is a past president of the Anne Arundel County Coaches Association. He is also a frequent speaker at football clinics throughout the region, and serves as an instructor at several different football camps each summer. He makes numerous local speaking appearances each year as a popular member of the SSU Speakers Bureau.

"There's been a history of football success here at SSU," says Rotellini, "and with an excellent academic reputation, a beautiful campus and fine facilities, we are working hard to make the future a bright one."

1993 Assistant Coaches

Aubrey Kelly
Defensive Coordinator

Kelly is now in his fourth season with the Sea Gull program and his third as defensive coordinator. Kelly came to SSU after prior coaching stints at Southwest Texas State University and Southern Connecticut. A lecturer in SSU's Physical Education Department, Kelly also serves as an assistant track & field coach in the spring.

Robb Disbennett
QBs/Receivers

A former standout quarterback for the Sea Gulls, Disbennett begins his third season on the Salisbury staff this year. He served as an assistant coach at Central Connecticut State before returning to the Eastern Shore. Disbennett still holds numerous SSU passing records, including career attempts and yards, completions in a game and in a career, most touchdown passes in a game, season and career, and most consecutive passes completed.

Kevin Colliton
Offensive Line

Having played and coached in Salisbury in the mid-80s, Colliton is in his fourth season with the current staff at SSU. After his initial run with the Gulls, Colliton served as the offensive coordinator at Shippensburg University for three seasons before returning to Salisbury State in 1990.

Wayne Bradford
Defensive Line

Another former Sea Gull player now in his fourth season as an assistant coach, Bradford will work primarily with the defensive linemen again this year. He has worked previously with the inside linebackers, and began his coaching career at SSU as a defensive intern and scouting assistant.

Daryl Pynn
Defensive Intern

Beginning his first season on the coaching staff, Pynn will serve as a defensive intern while also assisting Bradford with the defensive line. Pynn, from Syracuse, NY, was a three-year letterman at offensive guard for the Sea Gulls, concluding his career in 1992.

Jay Mooney
Running Backs/Special Teams

Also returning for his fourth season on the Sea Gull coaching staff, Mooney's primary duty will be with the running backs. After starting as Coach Rotellini's administrative intern in 1990, Mooney is now in his third season as a position coach. The past several years, Mooney has also worked as a part-time intern for the Washington Redskins.

Tom Byrd
Offensive Line/Special Teams

A former player and coach at Menlo College in California, Byrd is in his third year at SSU, where he assists with the Sea Gulls' offensive line. Byrd, currently completing his graduate studies at Salisbury State, also shares the primary duty of overseeing the special teams.

J.R. Harmon
Linebackers

A four-year letterman for the Sea Gulls, Harmon is in his third year on the coaching staff and begins his second season as the linebackers coach. A defensive lineman during his playing days, Harmon assisted with the line in his first coaching season while also spending a lot of his time in scouting opponents.

Rob Grande
Special Teams Assistant

Grande is serving his second season on the coaching staff after concluding his playing career as SSU's placekicker in 1991. He finished second on the squad in scoring that season with 31 points, converting 16 of 18 extra point attempts and succeeding on five of eight field goals. Grande also works as a math teacher at Wicomico Middle School in Salisbury.

Rory McTigue
Offensive Intern

A former all-star running back at Frostburg State, first-year assistant McTigue is the newest addition to the Sea Gull staff. McTigue finished his Bobcat career as the school's second-leading rusher and career points leader. He was a two-time ECAC South Region All-Star and a Champion honorable mention all-American in 1991.

1993 FOOTBALL OUTLOOK -- Position by Position

Head Coach Joe Rotellini views his team's ability to cope with the rushing game - both offensively and defensively - as perhaps the single most important factor in gaging success this year. SSU's ability to develop a consistent rushing attack while improving its capability of shutting down the opponent's ground game could well determine the team's level of success.

Rotellini is stressing a change in his approach to the '93 season. "Ball control is what we want this year" said the coach. "We want a possession-controlling type of offense, which in turn will help keep our defense off the field."

Rotellini has a solid block of veterans on which to build this new philosophy, with 50 letterman and 18 starters returning. In fact, the coach is pleased with the quality of his personnel entering his fourth campaign with the Sea Gulls. "We're at the point now where we can match-up physically with almost all of the teams on our schedule. You must have good players in order to win games, and I believe that we do."

A closer look at SSU's 1993 personnel, position-by-position:

OFFENSIVE SNAPSHOT

Starters Returning/Lost: 8/3	**Avg. Points/Game:** 16.3
Avg. Plays/Game: 67.3	**Avg. Yards/Game:** 254.7
Avg. Rushing/Game: 80.1	**Avg. Passing/Game:** 174.6
Rushing Touchdowns: 7	**Passing Touchdowns:** 12
Rushing: 46.3% plays--31.5% yds	**Passing:** 53.6% plays--68.5% yds

QUARTERBACK

Senior Len Annetta returns for his fourth year as a starter, and will likely be the key to SSU's offensive success this year. The strong-armed, drop-back thrower posted his biggest numbers in 1992, completing a school-record 147 of 313 passes for 1,545 yards and 12 touchdowns. Annetta ranks third on Salisbury's all-time passing list with 3,730 career yards, and needs just nine pass attempts to break Robb Disbennett's SSU record of 670 career attempts. Annetta already owns the single-game passing record of 317 yards, set against Hampden-Sydney in 1990.

Behind Annetta, Rotellini has two capable relievers in junior David Doy and redshirt freshman Marc Thomas. Doy, who saw action in three games last year, was six of 12 for 26 yards.

Quoting Rotellini: *"We're expecting Len to have a great year. He's gotten better each season and we expect he'll give us his best nine games this year. Both David and Marc have the tools and they'll be ready to compete as well."*

RUNNING BACK

The return of Ron Stump will likely dictate the fortunes of the rushing attack this season. Stump was off to a great start in 1992, racking up 156 yards in 39 carries before suffering a season-ending knee injury midway through the second game of the year. If healthy and back to form, he will be featured as the prime back again in '93.

Among those who filled the void in Stump's absence last year was Damon Fayall. The sophomore was SSU's top rusher with 315 yards last year, and should be improved with the experience of his frosh campaign now behind him. Redshirt freshman Derrick Odoms, out all of last season with a knee injury, stands third on the preseason depth chart.

Senior Stan Griffin and junior Mark Kline are the top two fullbacks. Neither is likely to carry the ball much since Rotellini's attack utilizes the fullback primarily for blocking.

Quoting Rotellini: *"We lacked consistency in the running game after we lost Ron last year. We had to depend on some of our younger runners who obviously didn't have the experience. We need consistency in the rushing attack this year to take the pressure off the passing game."*

RECEIVERS

Record-breaking pass catcher Charlie Whalen is SSU's primary offensive weapon and will be used in a variety of ways once again in '93. Whalen established a new Sea Gull record with 63 receptions last year, including a single-game record 12 against Albany State. The Gulls will feature the senior in numerous positions -- split end, flanker, slot man -- in order to get the ball into his hands as much as possible.

Redshirt freshman Fred Grant (seven catches, 132 yds) is back after a broken foot sidelined him two games into the '92 campaign. Sophomore Derrick Arnold (nine rec, 88 yds) also figures prominently.

Juniors Todd Burrell and Shawn Cahall are the top two targets at tight end, although both will be utilized as blockers quite a bit. Seniors Tom Keating and Burt Cashman add further flexibility as players who can play tight end, H-back, or outside receivers.

Quoting Rotellini: *"I feel good about our receiving group. We want a four deep rotation at the outside position, although we will try to use Charlie as much as possible. Blocking is a priority for the tight ends, and they have all worked hard to get bigger and stronger."*

OFFENSIVE LINE

Starters return at center and the two guard spots, but two new tackles are needed to anchor the ends of the line. Junior Colin Joseph (6'2, 215) is back at center, and is flanked by returning guards Jim Cave (6'0, 260) and John Alessandrini (6'0, 250). Senior Kevin Scannell (5'10, 230) has also started in the middle spots. Sophomore Tim Wilde is the top returning backup.

Redshirt freshman Adam Funk (6'6, 285) and junior Bill Shivas (6'2, 235) are the projected starters at tackle, although Rotellini can also look to Mike Schermerhorn (6'4, 255), Marc Simpers (6'3, 255) and converted DT Bryan Schaumloffel (6'1, 250).

Quoting Rotellini: ***"We have some experience returning on the line, although we won't be as big as last year. Ideally, we look for a seven to eight man rotation for games. I thought our line played well last year, especially in the area of pass blocking. I'd like to see us have more consistency with run blocking this year."***

DEFENSIVE SNAPSHOT

Starters Returning/Lost: 9/2	**Top 25 Tacklers Returning/Lost:** 18/7
Interceptions: 12	**Fumbles Recovered:** 11
Sacks: 9 (-54 yards)	**Tackles for Loss:** 35 (-107 yards)
Avg. Points Allowed: 34.4	**Avg. Yards Allowed:** 410.7
Rushing TDs Allowed: 27	**Passing TDs Allowed:** 11

DEFENSIVE LINE

Despite the return of three starters, Rotellini pinpoints the need for improved play along the defensive line as a critical area of concern entering the '93 season. Senior Dan Quinn (6'2, 255) anchors the unit, and can play at either end or tackle, as needed. Sophomore Jeff Fowler (6'0, 220), who blossomed during the second half of his frosh campaign, is projected as the other starter at end. Sophomore Kevin Vail (5'11, 235) is also looking to make an impact.

If Quinn stays at end, the inside spots on SSU's 4-3 alignment will probably be manned by sophomore Tommy Ryan (6'0. 235) and Don Brady (6'0, 215). The return of Rob Poole (6'3, 285), who sat out last year, adds further bulk to the tackle position. Rotellini will be looking to establish further depth for this unit during the preseason.

Quoting Rotellini: ***"We have some experience returning here, but we need added depth and improvement in our play. We must play the run better this year, and we're counting on the defensive line to step it up."***

LINEBACKERS

Despite the loss of two-time defensive MVP Rick Helton, six veterans are back on a unit that Rotellini considers the strongest on the squad. Senior outside backer Greg Parkins (70 tackles) was fourth in tackles last year and started all nine games. Juniors Kevin Bradford (38 tackles) and Brian Gallavan (26 tackles) shared starting honors at the other outside position.

Replacing Helton in the middle will probably be junior Angelo Morreale (33 tackles). Sophomore Scott Lancaster (17 tackles, 1 INT) and senior Scott Woehrle (nine tackles in an injury-plagued season) are also viewed as significant contributors.

Quoting Rotellini: ***"This is our deepest position on the team. Its a very quick, yet strong unit. We have lots of flexibility with these players. They're all interchangeable and we'll play the three best. We could even play some of these guys at defensive end to get them in the lineup."***

SECONDARY

Four-year starter Henry Fehlman and converted quarterback James McCormick head a deep and balanced defensive backfield. Fehlman, a fixture at cornerback who has 202 career tackles and three interceptions, appears to be slated for the free safety position entering the '93 campaign. McCormick, who moved to free safety last season and promptly led the Gulls in interceptions, with four, will probably shift over to strong safety this year. He finished third in tackles with 74 last season. Sophomore Jeff Pontius and Delaware State transfer Tim Jones are projected to be among the top contributors behind Fehlman and McCormick.

Kevin Powell's emergence in the second half of the season puts him in line to claim the one of the cornerback spots. Experienced veteran Jim Romans will also contend for starting honors once again. Junior Tommy Nelson and sophomore Chris Smith, both with starting experience, are likely to vie for the other corner spot.

Quoting Rotellini: ***"I feel good about our secondary entering this season. We have a lot of depth at the corner positions, and there's some flexibility available in moving people around. I thought our pass defense was pretty good most of the time last year, and I'm looking for that again this year."***

SPECIALISTS

Senior Dan Gregory is back to handle the punting chores. He punted 59 times last year, including a school-record 12 times against Guilford, while averaging 36.4 yards/kick. Gregory may add placekicking to his duties this year as well. If not, sophomore Vince Craig could assume the placekicking responsibilities.

Charlie Whalen will probably be the featured return man for both punts and kickoffs again. He averaged 5.5 yards/return on punts and 27.3 yards on kickoffs, including an 85-yard touchdown against C.W. Post.

1993 Sea Gull Football Notes

Len Annetta has a string of 23 straight starts at quarterback entering the '93 season opener. The last time Annetta didn't start was October 6, 1990 against Glassboro State in his freshman season. The only other current player to start that many games is senior cornerback **Henry Fehlman**, who became a fixture in the Sea Gull secondary midway through his freshman campaign.

SSU

Salisbury State is facing Trenton State, its opening night foe, for the first time since 1985, when the Gulls defeated the Lions 37-8 in Trenton. This is the first year since 1983 that SSU is opening with a team other than C.W. Post.

SSU

The September 10 opener at Trenton will be SSU's first night game since playing back-to-back games under the lights at Glassboro and Montclair in 1989.

SSU

Senior receiver **Charlie Whalen** begins the season ranked fourth on SSU's all-time receptions list with 77 career catches. His first catch of the season will move him into a tie for third place with Dwayne Humenik (1982-85). Chris Holston (1985-86) is the all-time receptions leader with 97 catches.

SSU

The Gulls need to score 173 points this season to reach the grand total of 5,000 points scored since football began at SSU in 1972. Breaking it down, the Sea Gulls need to average 19.2 points per game in 1993 to reach the goal.

SSU

Free safety **James McCormick** is the top returning tackler on this year's defense with 74 stops in 1992. The former QB also topped the Gulls with four interceptions last year, posting the highest single-season total in that category since Che Abdullah's four picks in 1989.

SSU

The nine teams on Salisbury's '93 schedule had a combined winning percentage of .533 (48-42-2) last year. Six of the nine posted winning records. Additionally, if the third-year program Methodist (0-10 in '92) is removed from the equation, the winning percentage jumps to .600.

SSU

Although RB **Ron Stump** was sidelined with a season-ending knee injury midway through game two last year, the stocky runner didn't need much time to leave his imprint. His 108 yards rushing in the opener remained the single-game high for the season, and his 28-yard TD run against Methodist was SSU's longest of the year. He also tied a school-record with 30 carries against C.W. Post. Stump's teammates have selected him as one of the four team captains for 1993.

SSU

Senior receiver **Tom Keating**'s offseason story serves as an inspiration to all who hear it. Diagnosed with a cancerous lump on his upper leg last November, he not only beat the disease, he returned in time to become SSU's opening day pitcher last spring. Keating finished 5-4 for Coach Deane Deshon's baseball squad while leading the club with 46 innings pitched.

SSU

Salisbury's preseason roster lists 14 seniors, 18 juniors, 31 sophomores and 64 freshman. Those figures are comparable to last year, when the Gulls featured 11 seniors, 20 juniors, 28 sophomores and 45 frosh.

SSU

Six of the ten assistants on **Joe Rotellini**'s 1993 staff were former Sea Gull players. **Kevin Colliton** was a two-year letterman as a wide receiver, **Robb Disbennett** is the all-time passing leader, **Wayne Bradford** lettered as an offensive lineman, **J.R. Harmon** won the Bobby Richards Award in 1990, **Rob Grande** was the second leading scorer in 1991 and **Daryl Pynn** was a three-time letterman at tackle.

This is the first season under Rotellini that the Gulls have had an open date, and he admitted he's not sure how they'll react today. But Rotellini said he'd gladly settle for the same kind of effort he's gotten the first half of the season.

"We've told the kids how important it is every week to play hard and with emotion, and they've done that the first five games. We've had opportunities to beat some good football teams."
